

BIRTHDAY PARTIES

Give your child an experience they will never forget, an exciting and original birthday party at Long Lane Equestrian!

Children's riding parties offer a unique and enjoyable way to experience horse riding. Each party is tailored to the children's ages and individual abilities. The parties can take the form of lessons, which equip the children with basic riding needs, a mini hack or alternatively, if your children are experienced enough, we can organise some fun gymkhana games, all of which take place in a secure schooling arena. After we've all sang 'Happy Birthday', the children will receive a party bag or rosette each followed by a 'Picnic in the Haystack' (a barn converted especially for the birthday boy or girl). Please note food is to be supplied by the customer.

Birthday parties are hosted every Saturday and Sunday afternoons, year round from 2pm - 5pm. Please contact us for further details or to discuss your requirements.
